

# Full Band Performance Set List

Below is a typical set list for a 2 hour performance. How this performance time is split is at the complete discretion of each client, however we find that either a 2 x 1 hour or 3 x 40 minute set (with breaks in between) works very well.

Our repertoire of songs always covers era's of music from the 70's - 10's. It can easily be mixed and matched to cater for all age groups and events thus keeping your guests/clients on the dance floor.

# Acoustic Performance Set List

Below is a selection of songs used for an acoustic performance. We will provide you with a 1 x 60 min session if you require live music when your guests are arriving (meet and greet) for your corporate event or perhaps whilst a wedding breakfast is taking place. In addition to a guitar acoustic, we also have the option of a piano/keyboard late lounge style acoustic session too.

Please note that this service does incur an additional cost to a standard performance fee but we are happy to discuss any of the options mentioned above with you.
